

I would like to introduce to you a new affiliate business partner to Personal Training for Health.

Paul Burnell is a Self-Employed Financial Adviser with a firm called Charles Derby Financial Services and he can provide a FREE No-Obligation initial service on all aspects of Financial Planning.

Through one of the product providers that he has access to, he can provide policies that reward you for maintaining a healthy lifestyle.

As an additional benefit he is offering a FREE heart rate monitor or fit-bug with every policy taken by a Personal Training for health client.

See below for more information and in the attachment for more information

Exclusive for Personal Training for Health Clients

It is uncomfortable to think about but if you died, were injured or suffered a critical illness, and didn't have the right protection plans in place, who could your family rely on financially?

The right protection plans can help to safeguard your family's financial future. For example, a cash sum could help repay the mortgage and a regular income could help maintain their current lifestyle.

There are multiple providers who could meet your needs.

One such provider is Pru-Protect. Pru-Protect are different to most other providers in that they provide you with rewards and incentives to help you maintain a healthy lifestyle through their Vitality Programme.

Vitality is a healthy living programme. When you do healthy things, you earn points. These points give you benefits and rewards which include:-

- Cash Back up to £200 per year
- Premium Discounts
- Discounted health checks

If you add Vitality Plus you can also receive:-

- FREE Cinema Tickets

- 75% off Champneys Spa Breaks
- Discounts off running equipment and bikes
- Discounts off holidays and Ticketmaster
- Plus much more

A FREE Heart Rate monitor or Fitbug with every Life or Critical Illness Policy taken with Pru-Protect via Paul Burnell @ Charles Derby Financial Services
